NoR 16.5 – delete and replace with the following:

New 16.5: “Local regulations require that all yachts must inform the Harbourmaster’s Office by radio on VHF Channel 9 when they moored for the first time in Porto Cervo. If any assistance is needed, each boat can call directly the Harbourmaster’s Office on VHF 9. It is mandatory for all participants to visit the Harbourmaster’s Office to finalize their registration with the marina. Participants should consult the Harbour Safety Regulation at the following link: www.marinadiportocervo.com/regolamento/.”
