

## A SEASON FULL OF EVENTS, WITH ONE OF THE HIGHLIGHTS IN PORTO CERVO, ORGANIZED BY THE YACHT CLUB COSTA SMERALDA

It's going to be a very exciting season for the large **ClubSwan** fleet, both in one-design and rating categories. In June 2025, the fleets will head to **Porto Cervo**, where the prestigious **Yacht Club Costa Smeralda** will organize the Swan One Design World Championship (June 17-21). Along with the St. Tropez Nations Trophy, this will be one of the most significant events of the season for the ClubSwan fleet.

Says Giovanni Pomati CEO of Nautor Swan: *"I'm thrilled to kick off another exciting racing season. Our goal is not only to push the boundaries of performance but also to cultivate a community where the spirit of competition is balanced with friendship and mutual respect. The 2025 racing calendar is a celebration of the unity that sailing brings, and we eagerly look forward to seeing these values shine through in every race. The Yacht Club Costa Smeralda continues to be an integral part of this journey, organizing the Swan One Design World Championship. Their support as a key partner, combined with the beauty and prestige of their location, ensures an exceptional environment for both competitors and spectators alike."*

Sardinia's welcoming and exclusive **Yacht Club Costa Smeralda** has long been regarded as one of the "home port" of the Swan fleet, and it fully deserves this title with its seamless delivery of elegance, sophistication, and efficiency. Much like a Swan yacht, it combines these qualities effortlessly. Add to that the magnificent sailing area around Sardinia's stunning northern coasts, and it's easy to see why this long-standing collaboration has such strong foundations.

**The Nations League** stands as a premier regatta series exclusively dedicated to Swan One Design yachts, including the ClubSwan 36, ClubSwan 42, Swan 45, ClubSwan 50 and the new ClubSwan 28 and ClubSwan 43. This series not only recognizes individual class winners but also the top-performing nations. Offering a distinctive blend of fair and competitive racing, the Nations League provides a unique opportunity for Swan yacht owners, sailing community partners, and enthusiastic followers to come together. Beyond the thrill of the race, the event serves as a platform for engaging social gatherings, fostering connections and camaraderie within the vibrant Swan community.

### **The complete 2025 season calendar:**

The first event of 2025 will be the Primo Cup at the Yacht Club Monaco, which will serve as a training event for the new ClubSwan 28 class. Meanwhile, the ClubSwan 50 will gather in

Badalona at the Nautor Swan Global Service facility for a 4-day warm-up at the end of March, ahead of the official season start.

The **Swan Bonifacio Challenge** will mark the beginning of the 2025 Nations League circuit, with the ClubSwan 28, ClubSwan 36, ClubSwan 42, and ClubSwan 50 classes set to compete in a stunning location, offering a truly unforgettable setting for the upcoming challenges.

In **June**, from the 17th to the 21st, the fleets will head to Porto Cervo, where the **Yacht Club Costa Smeralda** will organize the Swan One Design World Championships, as mentioned earlier.

On the same weekend (June 17-22), the **Sparkman & Stephens Swan Rendezvous** in Marciana Marina will celebrate classic elegance with a competitive spirit and a strong family sentiment. This event is becoming highly anticipated and will be a recurring one.

In **July** (24-26), for the first time, we will race on the serene waters of **Lake Garda** in Riva del Garda, with the ClubSwan 28 fleet. The lake is a beautiful location for the small ClubSwan yachts, which can really excel in medium to high winds.

At the end of **July**, **Palma de Mallorca** will host the iconic **Copa del Rey MAPFRE** (July 26-August 2), organized by the Real Club Náutico de Palma. This event is always full of life, not just on the sea, and the action will involve not only ClubSwan yachts but also a number of rating boats.

The **Swan European Regatta** (August 6-10) will offer a great opportunity for a Nautor Swan reunion for North European owners. The sailing course will be set in the world-class sailing venue of **Marstrand**, within the stunning archipelago off the west coast of Sweden. This event is organized in cooperation with ClubSwan Racing and Marstrand Yacht Club, marking the first Swan regatta in Marstrand in over 30 years.

In **September** (16-20), the Nautor Swan facilities in **Scarlino** will take center stage for The Nations League, **Swan Tuscany Challenge**, and the **Swan OD Europeans**. Another major event for the Swan fleet.

The season concludes with **The Nations Trophy** in **St. Tropez** (October 8-12), a standout event that unites the Swan One Design and Swan Rating fleets for a season-defining regatta. The Nations Trophy is a prestigious biennial event, held in odd-numbered years. After a successful debut in October 2017 and three consecutive editions for the Swan One Design fleet, this event is set to revitalize the concept of competition among nations and is ready for an exciting new development this year. The Nations Trophy will now also be open to Swan yachts based on their fleet rating. This addition will introduce a fresh dynamic to the event, allowing even more teams to compete for the coveted title.

A grand finale to the season will take place in **Japan** with the **Swan Asian Regatta** (November 7-9) at the Riviera Zushi Marina.

Looking ahead to the **2026 season**, the highly anticipated debut of the **ClubSwan 28** in the United States will take place.

**About Nautor Swan and its racing world**

Founded in 1966, Nautor Swan is recognized all over the world for its performance sailing yachts. The key elements of the brand are elegance, quality, performance, innovation and reliability. With a state-of-the-art facility based in Pietarsaari, a Global Service with four hubs in the Med and 18 service points, the division ClubSwan Racing, Brokerage and Charter, Nautor is a brand with 360° activity.

More than 2,350 yachts have been built over five decades between 28 and 131 feet. The range is divided into four different lines: ClubSwan Yachts, Swan Yachts, Swan Maxi Yachts and the motor yacht division with Swan Shadow and Swan Overshadow and the Swan Arrow.

ClubSwan Racing manages the entire Nautor Swan racing world and represents a benchmark in high-performance yacht racing organization and events. With regattas based on top-level, friendly and fair competition, ClubSwan Racing aims to represent the best expression of the spirit of Swan. It provides both One Design regattas with The Nations League (dedicated to the Swan One Design Yachts ClubSwan 28, ClubSwan 36, ClubSwan 42, ClubSwan 43, ClubSwan 50 and Swan45) and the Swan One Design Worlds, as well as Rating events, as The Nations Trophy with the jewel in the crown being the Rolex Swan Cup.
